3. Law enforcement officers shall provide a statement-of-facts to provide sufficient information with respect to the juvenile and the alleged violation to permit the court to make final disposition in the case without requiring the attendance of the said arresting officer. Failure to comply with this rule does not necessarily require a dismissal of the charge.
4. In attempting to achieve the maximum benefit from the service of probationary orders, the court reserves unto itself the imposition of a probationary disposition in each traffic case when the said cause is continued, without additional language in the complaint; the duration of such probation to be the period terminating upon order of the court or the attainment of lawful adulthood.

4. No attorney or other officer, or employee of this court shall be accepted as bail or surety in any action or matter in this court.

RULE V

PROCEDURES—JUVENILES

1. The Supreme Court of Ohio, Rule 9, Ohio Rules of Juvenile Procedure, effective July 1, 1972, stated that in all appropriate cases formal court action should be avoided and other community resources be utilized to ameliorate situations brought to the attention of the court and this court hereby ratifies and affirms such statement of policy.

Such rule further states that information that a child is within the court's jurisdiction may be informally screened prior to filing of a complaint to determine whether the filing of a complaint is in the best interest of the child and the public.

The Court may from time to time designate law enforcement officers or court employees to screen cases informally.

control of said juvenile. Failing in the foregoing procedure, or if circumstances dictate, the officer shall cause said juvenile to be forthwith taken to the juvenile detention center, emergency shelter care or custodial detention facilities as they presently exist or may hereafter exist, and to cause said juvenile to be presented in open court at the next session thereof providing said officer shall have obtained the permission of an Intake Officer of this court, or the judge to place said child in juvenile detention center, emergency shelter or custodial detention facilities.

4. In the event that any law enforcement agency shall determine that immediate consideration of certain matters with respect to a juvenile should be had by the judge or other officer of the court, they shall contact the juvenile intake officer or such other member of the court staff as that said officer shall designate; the orders and/or instructions of the said officer shall be carried out until other or contrary orders or instructions shall be issued by the judge or such other court officer as may be designated by the court.
5. Any law enforcement officer upon taking any juvenile into custody shall cause to be prepared a complaint; and once prepared the complaint shall be verified as may be required by law and deposited with the law enforcement agency or filed with the court.
6. In all cases wherein the juvenile is not taken into custody by the officer, or the juvenile is not in custody, a complaint shall be prepared by the officer or other representative of the law enforcement agency with the assistance of the intake officer of the Juvenile Court of Pike County, Ohio.

Otherwise, such records shall not be available to any person except by order of the judge, or legal process from a court of competent jurisdiction.

The clerk shall file together in a numerical system hereinafter set forth and shall carefully preserve all original papers filed in every action or proceeding. Copies of papers belonging to the files of the court, shall, on demand, be furnished by the clerk to the attorneys or parties interested upon payment of the usual fee therefore.

4. Unofficial cases considered by the court staff shall not be subject to the provisions of the foregoing record rules; and no person shall have access to such cases without the order of the judge. This rule provision shall extend to law enforcement personnel as well as court personnel. Violations may be considered as amounting to a contempt of the court and punishable as such.
5. When any juvenile shall be taken into the juvenile detention center of this county by any law enforcement officer, appropriate law enforcement agency may cause said juvenile to be photographed (with front view and a profile view). The said Agency shall cause each such juvenile to be fingerprinted on forms approved by the State of Ohio or by the court, and shall obtain the information required on said form (if possible) which shall include the full name, present residence address, color, sex, place of birth, date of birth, height, weight, color of eyes and hair, notation of any scars or identifying marks and signature. Said photo record and fingerprint record shall be delivered to the court in accordance with the provisions of Section 2151.313, Revised Code and the Juvenile Rules. These records shall be subject to the provisions of said section and rules and are ordered to be taken for purposes of identification only.

The arresting law enforcement agency shall be responsible for compliance with this rule. Requests for the use of any photograph or fingerprints in the possession of the court under this rule shall be made in writing and shall state the facts forming the basis for the request. 6. Any complaint certified to this court from any other court exercising juvenile jurisdiction with respect to a child who is determined by this court not to be a resident of Pike County, or not presently within this

county and not expected to return within a reasonable time, shall be transferred to the county of residence of said juvenile if said determination is possible; a copy of the order of such transfer shall be forwarded to the transferring court. Complaints involving juveniles who are residents of another state shall be considered upon the merits of the particular case, but the policy of transferring all cases except minor traffic matters will be maintained.

7. In order to provide a means for scheduling detention hearings in accordance with the mandated time requirements of law and the Juvenile Rules, detention and shelter care hearings shall be held by the court as soon as possible and shall take precedence over other matters regularly assigned. Notice of such hearings may be provided by the retaining officer or as provided by law or the Juvenile Rules. Said notice may be given by phone to any person entitled to the same if other means have been found by said officer to be ineffective.

In the event that any such hearing is required to be adjourned for any reason, it shall be continued to the next regular court business day, unless otherwise requested by counsel, a parent or guardian or custodian, or as ordered by the Court. Hearings for juveniles detained pending hearing shall be assigned as soon as possible upon direction by the court or assignment office should the judge be unavailable.

If no specific time limits are prescribed by the Juvenile Rules, then the Ohio Rules of Civil Procedure shall be followed. Motions may be served within such time as not to unduly delay the proceedings, and shall be filed with the court not later than the third day following the day of service.
- (2) Motions shall be submitted and may be determined upon the motion papers hereinafter referred to without oral argument, unless specifically requested and allowed by the court.

- (3) If the motion for an oral hearing is granted, the oral hearing shall be scheduled as soon as possible according to Rule 18 of the Juvenile Rules.
 - (B) All counsel are reminded of their obligations under the provisions of Rule 11 of the Ohio Rules of Civil Procedure. The presentation to the court of unnecessary motions and the unwarranted opposition of motions, which in either case unduly delay the course of an action through the courts, subject an offender to appropriate discipline including but not limited to, the payment of the other party's reasonable expenses, attorney fees and costs.
9. Continuances of any proceeding shall be granted within the discretion of the judge, upon good cause shown upon written application or in open court, either by a person entitled to notice or his counsel. The policy as reflected in the Juvenile Rules is that continuances should be avoided whenever possible unless the court can find that the best interest of the juvenile will be served by granting such request.
- (a) An application for the continuance of a case shall be by written motion, supported by affidavit of someone knowing the facts upon which the application is based; or in case of sickness, by the certificate of a reputable physician, unless such affidavit or certificate be waived, in which case the professional written statement of an attorney or record for the party asking the continuance may be taken in lieu of such affidavit or certificate.
 - (b) If the continuance be asked for on the grounds of inability to produce the testimony of an absent witness, the party making the application must state in writing what he expects to prove by such witness and, also, by what acts of diligence he has endeavored to procure the testimony of such witness. If the court finds the testimony material and that due diligence has been used, such cause may be continued unless the opposite party consents to the reading of such affidavit in evidence in which

case the trial may proceed and such affidavit be read in the trial and treated as the deposition of the absent witness.

- (c) Unless specifically ordered by the Court, all motions for continuances will be decided without argument and no supplemental or amended affidavit or counter affidavit or statement will be received. Hearing will be had only after leave has been obtained.
- (d) A motion for the continuance of a case if made after the assignment of the case for trial will not be granted if the reasons upon which such motion is based were within the knowledge of the party or his attorney when the case was so assigned.

10. Receipts for all payments of funds into the Juvenile Division shall be issued upon forms as provided by the court. The depository of such funds as established shall be an appropriate banking institution protected by FDIC, in a checking account with consecutively numbered checks; provided that any funds from a devise, bequest, gift or grant received by the Juvenile Division, for the purpose for which property may be accepted shall be separately maintained and accounted for.
